

Amendments to the Claims

Claims 1-62 have been cancelled. Original claims 71-84 recited three separate claims each numbered 71. Therefore, claims 71-84 have been renumbered claims 71-86. Independent claim 75 has been renumbered 77 and independent claim 80 has been renumbered 82. The dependencies of renumbered claims 78-81 and 83-86 have been changed accordingly. This listing of claims will replace all prior versions and listings of claims in the application:

Listing of Claims:

1-62. (Cancelled)

63. (Original) A method for receiving notifications for upcoming programs, comprising:

a¹ providing a user with the opportunity to select a program that will air outside a program listings time frame which is currently available to the user; and

providing a notification to the user of the availability of the selected program during when the selected program is now in the current program listings time frame.

64. (Original) The method defined in claim 63 further comprising displaying a list of programs for which a notification is to be provided.

65. (Original) The method defined in claim 63 wherein providing a notification includes providing an e-mail notification.

66. (Original) The method defined in claim 63 wherein providing a notification includes providing a message notification.
